Dear Sirs,

Based on our conversations leading up to the execution of the March 14, 2018, Memorandum of Understanding, it is understood in the event Amtrak reaches agreements with other Organizations (representing other crafts) which contain more favorable general wage increases or benefits during the

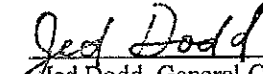

current round of negotiations, such provisions will be incorporated into this agreement, unless such improvement(s) were made in consideration for other items in the agreement between the parties.

Very truly yours,

Dear Sirs,

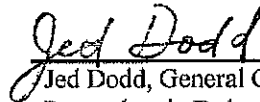

The pattern agreements in this round of bargaining provided employees under AMPLAN I with a health care contribution representing 97.52% of the contribution that would have been required under the prior formula. When applied to AMPLAN II, this handling produces a monthly contribution of \$208.45. As such, this creates a credit due for employee health care contributions beginning January 1, 2018. Amtrak

will take this resultant credit of \$7.14/mo. into account for all employees covered by this Memorandum of Understanding dated March 8, 2018, when calculating appropriate retroactive payments.
